- ▶ to get around by car or by foot.
- ▶ The market area (Place des Lices) is very crowded on market days (Tuesday and Saturday morning). We suggest you to ask for the events planning to the Event Department in order to avoid any shooting disruption.

Respect the guidelines:

- ▶ The town hall thanks you in advance for working in a civic way, respecting the area and its residents. During the shooting, make sure you have your permit with you at any time.

ATTENTION

USE OF SAINT-TROPEZ'S NAME AND ITS IMAGE

Saint-Tropez is a registered trademark

Town authorities have registered the names "Saint-Tropez" and "Saint-Trop". Therefore it is strictly forbidden to use these names without permission. Trading of all clothing or any items whichever it is, carrying the name Saint-Tropez (film title, clip, song etc...) as well as any usage not stated in the present permit must be subjected to a demand in due form to the town hall and a separate contract might be drafted accordingly.

Mention in the credits

Please note that, in the end credits of a film or an audiovisual production, the town's name must be mentioned entirely in the following way: Ville de Saint-Tropez (and not St-Tropez).
